Your future made possible. Together.

We are a global financial services group operating in 31 markets with 56 years of unbroken profitability.

At Macquarie, you're empowered to challenge what's possible and shape a career that is meaningful to you. To bring your insights and expertise to the task at hand. And to feel supported as you make your own kind of impact for a better future.

During this event:

- Discover program details and career opportunities
- Meet employees and ask questions
- Learn about our Early Careers Recruitment processes

Who should apply:

This event is best suited for students in their Junior year, graduating between December 2026 – May 2027.
